To Whomsoever It May Concern

This is to confirm that Ayush Ranjan had done an internship with us in our Jaipur office as part of the curriculum requirement with Manipal University Jaipur from 30-Jan-2023 to 28-Jul-23.

He was a part of G & PS – GovTech and successfully contributed in institutionalizing the projects assigned.

During the tenure of the internship, he has diligently supported the projects and adhered to the timelines. He displayed good performance and integrated well with the project team and performed in line with the expectations.

Yours sincerely
for KPMG Advisory Services Private Limited
